Comprehensive Statistics of Staff employed under the Government of West Bengal

(As on 28th February 1954)

INTRODUCTION.

1. The Statistics of Staff employed under the Government of West Bengal have been collected and published annually by the State Statistical Bureau since 1948.

2. Schedules and instructions drawn up for the purpose had been sent to all offices and statements of all the staff under the Government of West Bengal were collected. Schedules were filled up by the offices concerned according to the instructions laid down and were sent back to the Bureau.

3. Different categories of Government employees by their nature of service together with their pay and other emoluments have been incorporated in this report. As in the previous years, tables are presented showing staff by basic pay groups, by emolument groups, by departments and by services and scales of pay. There are two tables showing the sex and district of posting of the employees. There are also a few summary tables.

4. The statistics in this report relate to the 28th February 1954 and cover, subject to the limitations stated hereinafter, all persons employed under the Government of West Bengal as on that day, whether permanent, temporary, part-time, piece-rate, contingency or work charged and also include those on leave or under suspension. Part-time employees, who work in more than one office, have been shown against only one office.

5. The number of persons shown under a particular category may not tally with the total number of posts actually sanctioned under that category. This discrepancy, where it exists, is generally due to the inclusion of persons on leave or under suspension.

6. The following four offices: -

- (i) Principal, Basic Training School, Sikhaniketan, Kalanabagram, Burdwan;
- (ii) Superintendent, Fulia Polytechnic P.O., Fulia Colony, Nadia;
- (iii) Executive Engineer, Kalyani (Building) Division; and
- (iv) Public Relations Office, Kalyani;

the existence of which were communicated to the Bureau at a very late stage could not be approached for the statement of staff and had to be excluded. In case of three offices, namely,

- (i) Subdivisional Agricultural Officer, Rampurhat;
- (ii) Subdivisional Health Officer, Alipurduar; and
- (iii) Deputy Assistant Regional Controller of Procurement, Krishnagar;

last year's figures have been taken on account of non-receipt of staff statements from those three offices.

7. Certain adjustments reported at a late stage were not incorporated in the report. For example, the staff belonging to the newly-created Excise Department could not be shown separately and had to be included under the Finance Department.

8. It is not altogether impossible that some persons under the work-charged system have been excluded because the offices under which they worked, did not regard them as Government employees.

9. The staff of the Refugee Relief and Rehabilitation Department for some districts and some subdivisions, for which separate statements had not been received in time, were shown under the Land and Land Revenue Department. It was also observed, that, there was no specific mention of staff of Refugee Relief and Rehabilitation Department in the case of a few districts and subdivisions. As no response was received to queries made in this connection, it is not clear whether in such cases the staff belonging to that Department, if any, were included.

10. Again, in the case of a few districts, Excise staff furnished in the staff statement submitted by the Collectors could not be separated out due to non-receipt of staff statements in time from Superintendents of Excise of those districts and had to be included in the Land and Land Revenue Department.

A few statements of staff received after the closing of the compilation could not be taken into account (*vide* Appendix C). The tables in this report are subject to these limitations. The schedule has been amended since including a few more details as would enable the Bureau to eliminate such errors in future.

11. "Other emoluments" shown under pay and allowances in the tables include the following items:—

- (1) Personal pay.
- (2) Special pay for additional (part-time) duties.
- (3) Special pay for extra responsibility.
- (4) Emolument at piece-rate.
- (5) Allowance for living in unhealthy locality.
- (6) Compensatory allowance for expensive living.
- (7) Cycle allowance.
- (8) Horse or pony allowance.
- (9) House allowance in lieu of free quarters.
- (10) House rent allowance.
- (11) Motor car allowance.
- (12) Non-practising allowance.
- (13) Unconditional conveyance allowance.
- (14) Permanent monthly travelling allowance.
- (15) Other allowances.

12. A list of offices from which the statistics have been collected is shown in the Appendix. One point, however, may be noted in this connection. It is difficult to define an office very precisely and the list is really one of units of establishment from each of which a return was expected. Very often, however, a parent office included in its statement the statistics of subordinate offices which had already been separately notified as such to the Bureau. Some amount of duplication of staff was therefore noticed at the stage of scrutiny. Necessary corrections have been made which took up considerable time.

Appendix A shows the list of offices under the Secretariat and Appendix B shows the list of other offices. The lists of all departments except that of Development (Roads) were confirmed by the respective Departments. In the case of Development (Roads) Department, however, the confirmed list was not received and the list received last year has been used this year also. The office of the Additional Executive Engineer, Murshidabad Construction Division, which was known to have been abolished before 28th February 1954, has, however, been excluded. Appendix C shows the list of defaulting offices with remarks against each office.

13. The overall response from various offices has been very satisfactory. The Bureau likes to record its appreciation for the co-operation extended by all concerned for this work.

Summary of the Results.

The total number of staff employed by the Government of West Bengal on the 28th February 1954 was 141,775 as against 136,478 in the preceding year. The increase is mostly accounted for by additional staff taken in the Departments of Health Services, Home (Transport), etc. The staff are shown below in Table 0.0 under broad categories.

Total number of persons employed by the Government as on 28th February 1954.

TABLE 0.0.				Number.						
Tenure of service.				Class of employees.						
				Gazetted.	Non-gazetted (superior).			Non-gazetted (inferior).	Total non-gazetted.	Total staff.
					Clerical.	Non-clerical.	Total.			
Total	3,471	24,840	73,852	98,692	39,612	138,304	141,775
Permanent	2,592	8,842	48,807	57,649	7,568	65,217	67,809
Temporary	802	14,531	23,385	37,916	21,084	59,000	59,802
Others	77	1,467	1,660	3,127	10,960	14,087	14,164

The term "others" in the first column implies the staff employed on part-time, piece-rate, contingent, work-charged and contract basis. Out of the total staff 48 per cent. are permanent, 42 per cent. temporary and the remaining 10 per cent. are employed otherwise. Looking into the break-downs, however, it will be found that 2,592 out of a total gazetted staff of 3,471 or about 75 per cent. are permanent; amongst the non-gazetted superior clerical staff, 8,842 out of 24,840 employees or about 36 per cent. are permanent and amongst the non-gazetted non-clerical superior staff, 48,807 out of 73,852 employees or

about 66 per cent. are permanent. Amongst the non-gazetted inferior staff 7,568 out of 39,612 employees or about 19 per cent. are permanent. It may be noticed that out of a total staff of 141,775, only 2 per cent. are gazetted; about 18 per cent. are non-gazetted superior clerical staff, about 52 per cent. are non-gazetted superior non-clerical staff, and 28 per cent. are inferior staff.

Table 0.1 below shows that the percentages of permanent staff have been increasing slightly during the past four years except in the case of non-gazetted inferior staff.

Column (5) of the table shows that 1·80 per cent. receive emoluments of Rs. 1—40 per month. 61·19 per cent. receive from Rs. 41 to Rs. 100 per month, 20·27 per cent. receive from Rs. 101 to Rs. 150 per month and so on. Columns (6) and (7) show respectively the cumulative totals and percentages of persons who receive emoluments at a level equal to and higher than the various levels or groups shown in column (1). Thus, a total of 8,521 or 6·01 per cent. receive emoluments of Rs. 251 and above, 5,725 or 4·04 per cent. receive Rs. 301 and above, 3,991 or 2·82 per cent. receive

Rs. 351 and above, 1,563 or 1·10 per cent. receive Rs. 501 and above, 612 or 0·43 per cent. receive Rs. 801 and above, 368 or 0·26 per cent. receive Rs. 1,001 and above, 162 or 0·11 per cent. receive Rs. 1,501 and above and finally 74 or 0·05 per cent. receive above Rs. 2,000.

A comparison of Tables 0·2 and 0·3 shows the effect of allowances on basic pay received by Government servants. For facility of comparison the relevant columns of the two tables are shown side by side in Table 0·4 below:—

Distribution of employees in different basic pay-groups and emolument groups.

It will be seen from the above table that except for allowances, only 68,630 employees out of a total of 141,775 or 48·41 per cent. would have received Rs. 41 and above per month, whereas, the number actually, as a result of granting of allowances, etc., is 139, 225 or 98·20 per cent. of the total. Similarly 21,851 or only 15·41 per cent. would

have received Rs. 101 and above, whereas, the number actually is 52,467 or 37·01 per cent. of the total. Similarly for other pay-groups.

The distribution of staff according to basic pay-group in relation to other financial aspects of pay is shown in Table 0·5 below:—

It may be noticed that the *per capita* emoluments of persons whose basic pay is shown as nil is greater than the *per capita* emolument of those persons whose basic pay is Rs. 1—40. This is accounted for by the fact that allowances other than basic pay for those with basic pay as nil are relatively much greater than for those with basic pay of Rs. 1—40. The *per capita emolument* this year has been found to be Rs. 112 per month. It was found to be Rs. 111 in the preceding year. Comparing

the figures in columns (7) and column (8) of the above table with corresponding figures of the previous years, it is found that the total emoluments and the dearness allowance per rupee of basic pay have not materially changed during the last four years. The figures for the last four years are shown below in Table 0.6. It will be noticed that the allowances have increased the total emoluments in the lowest basic pay-group of Rs. 1—40 by about 120 per cent. Above Rs. 2,000 the increase is only 5 per cent.

There are 4,672 women in West Bengal Government service as against 137,103 men. It will be from column (5) of the table that, considering West Bengal as a whole, the percentage of female employees to total number of employees is about 3·3. Among the districts, Nadia has the greatest percentage and West Dinajpur the least. In Calcutta the percentage is 3·7 which is about the average. It will be noticed from column (6) that

more than 36 per cent. of the total employees of all sexes are posted at Calcutta and more than 14 per cent. are posted in 24-Parganas. Thus about 51 per cent. of the total employees are concentrated in these two places.

The number of Government employees per square mile and the population (according to 1951 census) per Government employees, district by district, are shown in Table 0·8 below.

Concentration of Government employees in respect of area and population.

As is only to be expected, the concentration of Government employees is the highest in Calcutta, being 1,223 per square mile and 1 for every 50 of the population. Excluding Calcutta the number of Government employees per square mile varies from 2 in Bankura, Midnapore, West Dinajpur, Malda and Jalpaiguri to 11 in Howrah and the

population per Government employee varies from 102 in Darjeeling to 327 in Midnapore district.
